

**February 9, 2011 Innovation Competency
Interactive Presentation by Praveen Gupta
Created some Innovative poets out of ASQ Chicago members**

1. Products make us rich
We can do without a hitch
With Innovation, we find our niche
But profits will decide which.
2. Innovation in Quality is very fun
Ideas are plenty we create
Quality is not only pain but also fun
Innovate quality for frequent players
3. Quality an innovation go hand in hand
Working together just like a band
President was talking Innovation
Invest in Quality – solar, wind, oil and gas
Together these principles will lead us
4. Quality is mother of Innovation
And innovation is critical for our nation
We can all improve and get better
With accuracy to the letter
The fate of our nation requires
That our innovation never tires
5. Innovation in Quality is best plan yet
If you want to be a winner, it's a sure bet
When customer is satisfied, all quality requirements are met
When you innovate and motivate, there will be no regret.
6. Creativity can be fun
But Innovation for me, is really the one
Quality is about doing the best
It makes us stand out above the rest
7. Quality is free
Innovation is easy
What geniuses are we
Creativity is not cheesy
8. Innovation in quality as it ought to be
Because without it, we would not know how to see
It is always good to utilize your creativity
Innovative in quality, it is what you want to be
9. Quality is apple of my eye
As a team we will try
Creativity will prevail
On a summit look at Veil
10. I love to do innovation for quality
Make it good because Quality is free
Quality is your life that I understood
Creativity in quality is always good
11. I have made a creation
It was quality fun
And screams innovation
and now we are done
12. What happened to those good old days of simple quality
Quality is fun and under the gun
So you run
A Cpk study is not just for fun
13. Strive to innovate and create
To make your job great
Open your mind to celebrate
Don't be caught behind the gate
Life is fun when you innovate
14. Quality is really something neat
It can certainly be a feat
Because with a innovation, you really feel the heat
This ASQ meeting gets you off your seat
Creativity happens in a heartbeat
